

"The Beauty Service that comes to you"

Let's Make-up with Fabulous Make-up

The workshop today will help you on the right track to healthier skin when using mineral make-up, by learning tips and tricks of the trade on how to apply your make-up.

Today you will:

- Learn about the benefits of natural mineral makeup;
- Learn how to find the right foundation colour to suit your skin tone;
- Find out if you are cool, warm or neutral? With this workshop you never have to second guess again;
- Put together a makeup package to suit your skin tone and busy life style; and
- Learn how to have a great look every day that takes minutes.

Either one on one or with a girl friend, you can have this wonderful workshop on make-up application in the comfort of your own home. Bring along your make-up bag.
